Luxembourg is keen to showcase circularity in action by exhibiting the progress achieved in the last two years during the **Luxembourg Circular Economy Hotspot 2017**.

From **20 to 22 June 2017** you will have the opportunity to participate in company visits that will give you insights into Luxembourg's circular innovations.

This major three-day event will offer you a forum for debate, exchange, face-to-face meetings and networking for 200 delegates from Europe and beyond.

Finally you will hear from high-level government, political and economic allies from both **the Greater Region and the entire Benelux area** about how to turn challenges into opportunities by embracing the circular economy. At the EIB you will learn about the innovative business models and the tools to **finance circular economy**.
